

Bottisham Community Primary School

Headteacher: Rachael Johnston

Thursday 6th February 2020

Dear Parents and Carers,

We have been talking to all the children this week about what safe play looks like at our school as we have had a couple of incidences at break and lunchtimes recently where children have been hurt by sticks.

Please could you support us with this by reminding the children that sticks should not be used in school, whether they are on the hard surface or playing in the forest area.

We are grateful for your ongoing support with this.

Yours faithfully,

Rachael Johnston
Headteacher
