

Bottisham Community Primary School Acceptable Use Policy - KS1 Primary Children

I will read and follow the rules in the AUP

I understand that this AUP is regularly reviewed and that there are consequences if I do not follow it

- I will always use what I have learned about e-safety to keep myself safe and will tell a teacher if something makes me worried or unhappy
- I will use school computers for school work and not to upset or be rude to other people
- I will not open or download any attachments without checking with an adult
- I will only go on websites that my teacher tells me to
- I will tell my teacher straight away if I go on a website by mistake
- I will tell a teacher straight away if I see a website that is not my work or receive messages from people I don't know.
- I will look after school ICT equipment and tell a teacher straight away if something is broken or not working properly
- I will not try to download or install any software on school computers
- I will only use the username and password I have been given for my year group
- I will save only school work on the school network and will check with my teacher before printing
- I will log off or shut down a computer when I have finished using it

I understand that all of my work and internet activity on school ICT equipment can be monitored and that there are consequences if I do not use the equipment sensibly, safely and responsibly
